Sir,

Subject Purchase of a Concrete Mixer

Adverting to G O No L 7317-20/CM 7953-6 dt 23/24th Sept 1953 according sanction to the estimate for Rs 9095/- for cement concreting old Santhepet road and Dhanvanthri road etc , I write to state that the cement concreting of Dhanvanthri Road was taken up during December 1953 and the work is almost completed As there was no concrete mixer with the Municipality and mixer owned by the Public Works Department could not be made available in view of the programme they have on hand, a mixer locally available with Messrs C P C & Sons , was hired and the work taken up The hire charged by the owner is Rs 17/- per day which is really heavy For concreting Dhanvanthri road, the mixer had to be hired for 50 days and the total hire charges amount to Rs 850/- The cement concreting of Santhepet road is yet to be taken up The Council have in view cement concreting of other roads also in course of time.

A proposal of the Municipal Engineer to purchase a mixer at a cost of about Rs 8000/- from one of the leading Firms in India was approved by the Council at their meeting held on 5-2-54

In view of the urgency for taking up the Santhepet road also for concreting, the purchase of the same in anticipation of Government sanction has been approved If the mixer is again hired for concreting this road another sum of Rs 1000/- will have unnecessarily to be paid in the shape of hire charges In the long run owning a machine will work out cheaper than hiring it

P T O

I enclose a copy of the resolution and request that orders of Government may kindly be obtained to purchase the concrete mixer at a cost of Rs 8000/-

Yours faithfully,

(N Lakshman Rau)
Municipal Commissioner

Fac 4/2

Forwarded with compliments,

(K Puttaswamy,)
President
